H. P. BELL-IRVING
Lieutenant Governor

CANADA:

PROVINCE OF BRITISH COLUMBIA

ELIZABETH the SECOND, by the Grace of God, of the United Kingdom, Canada and Her Other Realms and Territories, Queen, Head of the Commonwealth, Defender of the Faith

To all to whom these presents shall come—
Greeting

W. N. Vander Zalm
Minister of
Municipal Affairs

WHEREAS, under the provisions of section 767 of the *Municipal Act*, the Thompson-Nicola

Regional District was incorporated by Letters Patent issued on November 28, 1967:

And whereas section 767 of the *Municipal Act* provides, *inter alia*, that, in addition to the functions conferred by that Act, a regional district has the functions as provided by Letters Patent or supplementary Letters Patent, and for this purpose the Lieutenant Governor in Council may, on the recommendation of the Minister, provide in the Letters Patent or supplementary Letters Patent further objects, powers, obligations, duties, limitations and conditions for any or all functions requested under that section:

And whereas the Regional Board of the Thompson-Nicola Regional District has requested, under the provisions of subsection (5) of section 767 of the *Municipal Act*, that the regional district be empowered to undertake the function of tussock moth control with Electoral Areas B and L as participating member municipalities:

And whereas, under the provisions of subsection (6) of section 767 of the *Municipal Act*, the annual net cost of a function granted under subsection (5) shall not exceed the product of 2 mills on the assessed value referred to in subsection (1) of section 791 within the participating member municipalities, and the annual net cost of all functions granted under subsection (5) shall not exceed the product of 3 mills on that assessed value:

And whereas the provisions of section 767 of the *Municipal Act* have been duly complied with:

Now know ye that by these presents We do order and proclaim that on, from and after the date hereof the following be added to objects, powers, obligations, duties, limitations and conditions of the Thompson-Nicola Regional District:

"Division XXXIV—Tussock Moth Control

"1. Electoral Areas B and L participate and share in the cost of this function of the regional district, subject to the provisions of sections 3 and 4 hereof.

"2. For the year 1982, only the regional board may undertake or cause to be undertaken a tussock moth control program for either or both of the participating member municipalities referred to in section 1 and, without limiting the generality of the foregoing, may, by bylaw, undertake a different program for each participating member municipality.

"3. Before exercising the powers under section 2, the regional board shall obtain the written consent of the director of the electoral area that is to participate in the tussock moth control program proposed to be undertaken for that particular electoral area or defined area thereof and shall, by bylaw, a copy of which shall be deposited in the office of the Inspector of Municipalities, name the participating electoral area or defined area thereof and, in the event a defined area of an electoral area is designated a participating member municipality, such defined area shall be defined by metes and bounds description in the said bylaw and the said bylaw shall declare the participating electoral area or defined area thereof to be a tussock moth control program unit.

"4. The annual net cost attributable to a tussock moth control program unit as referred to in section 3 shall be borne directly by that electoral area or defined area thereof within which the service is undertaken or provided. The said cost shall be recovered by a levy on the basis of assessment of land only as fixed for the current year which may be taxed for school purposes, excluding property that is taxable for school purposes only by special Act.

"5. In implementing the program the regional board may participate in and enter into an agreement with the Province through the Ministry of Forests to undertake the appropriate ground-spraying with chemicals on private lands, with the consent of the property owners, for the purpose of controlling or eradicating the tussock moth in any area within the participating member municipalities.

"6. In the event funds provided by the Ministry of Forests are insufficient to meet the entire cost of the program provided in 1982, the regional district may borrow to meet the current lawful expenditures of the regional district for the purposes of this function a sum as determined by the Inspector of Municipalities until the annual budget for the year 1983 is adopted and the amounts requisitioned thereunder are received by the regional district."

And that the Letters Patent, as amended, of the Thompson-Nicola Regional District be deemed to be further amended accordingly.

In testimony whereof, We have caused these Our Letters to be made Patent and the Great Seal of Our said Province to be hereunto affixed.

Witness, the Honourable Henry P. Bell-Irving, Lieutenant Governor of Our said Province of British Columbia, in Our City of Victoria, in Our said Province, this fourteenth day of May in the year of our Lord one thousand nine hundred and eighty-two, and in the thirty-first year of Our Reign.

By Command.
